

## 2018 Keystone Coldwater Conference Student Poster Contest

The Pennsylvania Council of Trout Unlimited is accepting submissions from college students for the Student Poster Contest that will be held at the 2018 Keystone Coldwater Conference on February 23-24, 2018 at the Ramada Inn Conference Center in State College, PA. All college students currently participating in or having recently completed research related to protecting, conserving and restoring coldwater resources can participate in the poster contest. Research related to science, management, policy, and education and outreach is eligible.

All students participating in the contest must prepare a 40" x 48" poster and be prepared to present a 3-5 minute overview of the research and results. Volunteer judges will select the winning poster based on the oral presentation and poster content and clarity. Posters will be reviewed and judged Friday during the evening social event. Winners will be announced at the conclusion of the conference on Saturday.

All students who participate in the contest will receive half off the registration fee. Students who do not wish to be considered for the contest but who want to submit a poster for general viewing by attendees will not receive half off registration.

If interested please submit the Poster Submission Form, and *be sure to check the box at the bottom of the form*, by **December 11, 2017**. Forms can be mailed to:
